Wednesday, December 6th, the Chamber hosted the 15th Annual Taste of Christmas. More than 450 people attended. The crowd was treated to great food from 20 some vendors, entertainment by the Milford High School Show Choir and Frye Entertainment. This event benefits the Mary Ann Partin Scholarship Fund. Mary Ann’s daughters, Jennifer Partin and Julie Partin-Otto attended “The (Taste of Christmas) is a reflection of her dedication to the community—this is why she loved Milford and Miami Township,” said Partin-Otto. “To see the businesses turn out year after year is a testament to what she and the chamber stand for”, Jennifer said. An area high school senior is awarded a scholarship at the chamber’s spring dinner. All of the money taken in during this event goes toward the scholarship fund.

RESOLUTIONS

Have you made your New Year's Resolutions? Most of us make them only to break them before we reap any benefit. After many years of doing this, I have come to the conclusion that it is easier to make daily ones. They are easier to stick to. Like today I will be more organized or today I will do something nice for someone. You can accomplish a lot in a year by resolving to do something different each day of the year. While you are making your daily list, don't forget to include at least a day for your chamber. Give us a call to volunteer for a committee or help in some way with an upcoming event. We are always here for you but sometimes we need a helping hand too. Have a Happy, Healthy New Year.
