

# Open House Celebration

We've just opened our chiropractic office in Milford and would like for you to join in the festivities!

*Come meet with Dr. Luke Reineck on **Saturday, February 28, 2009.** We will open our office from 10-2 in order to welcome those from the community. We are located in the same plaza as Chinatown Buffet on State Route 28, across the street from Mike Castrucci Ford.*

*There will be food, door prizes, and chair massages available for those who stop by.*

*Those who have not been to our office before will also receive a certificate for a free personalized chiropractic consultation and complimentary 30-minute massage.*

*"A wise man should consider that health is the greatest of human blessings."
